TECHNICAL SPECIFICATION

CITRUS AIR FRESHENER 106

HM 106 is a clear, pink coloured, non-viscous liquid with a strong, distinct citrus odour. This water based formulation is easy to use and contains a blend of surfactants, essential oils and dispersing agents.

Features include:

- Packaged in handy ready to use trigger spray.
- Ozone friendly.
- All surfactants used are biodegradable and phosphate free.
- Effective at removing odours – including mustiness and food odours.
- Fresh citrus fragrance.
