TECHNICAL SPECIFICATION

BATH & TILE CLEANER 107

HM 107 is an aqua blue coloured liquid, which has been formulated to cut through grease and grime and kill off moulds and mildew found around washroom areas.

Features include:

- Cuts through grease, grime and soap scum found in bathrooms.
- Removes body fats and limescale.
- Effective biocide kills bacteria.
- Suitable for use on all surfaces.
- Destroys moulds and mildews.
- All surfactants used are biodegradable and phosphate free.
- Packaged in handy ready-to-use trigger spray.

PROPERTIES:

Appearance @ 20°C

pH (neat)

Odour

Specific Gravity @ 20°C

Flammability

SPECIFICATION:

Aqua blue, clear, non viscous liquid

2.5

No appreciable odour

1.008 +/- 0.002

Non-flammable

DIRECTIONS FOR USE:

- Spray HM 107 sparingly on surface to be cleaned.
- Wipe off with a clean, lint free cloth.
- For heavy soil build up, allow the product a 2 minute contact time with surface before wiping.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is not classified. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

- 6x750ml per case (144 per pallet)
- 2x5Lt available for refilling trigger spray bottles

Order Code: HM107-6X750ML

Order Code: HM107-2X5L
