TECHNICAL SPECIFICATION

HEAVY DUTY DEGREASER 604

KM 604 has been specially formulated to ensure fast, efficient cleaning of heavy grease deposits generally found on kitchen floors.

Features include:

- Economical dilution rate.
- Special blend of high active anionic surfactants ensures grease is broken down quickly and efficiently.
- Surfaces dry quickly to a perfect shine.
- Suitable for use on all surfaces.
- Specially formulated for heavy grease deposits, but can be used to clean all areas at lower dilution rates.
- High active product guarantees efficient use.
- All surfactants used are biodegradable and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Clear, colourless, non viscous liquid
14
None
1.046 +/- 0.005
Non-flammable

DIRECTIONS FOR USE:

- Dilution rates are dependant on the severity of soiling on the surface to be cleaned. For light duty cleaning, use at a concentration of 1:100. For heavy duty cleaning the product can be used neat.
- Floors: Dilute product at a concentration 1:40 and mop onto floor, or apply through rotary scrubbing machine.
- For all other surfaces, product may be sprayed, mopped or wiped onto the surface to be cleaned, then wiped off with a clean cloth.
- Rinse with clean water and allow to dry to a perfect shine.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store or mix with acids. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is classified Corrosive. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

4X5L case (48 per pallet)

Order Code: HSC604-4X5L
