TECHNICAL SPECIFICATION

HEAVY DUTY HARD SURFACE CLEANER 609Plus

Formulated as a concentrated hard surface cleaner to remove grease and grime deposits from walls, floors and most surfaces. Formulation contains a blend of alkalis, corrosion inhibitors, sequestering agents and a blend of surfactants.

Features include:

- Economical dilution rate.
- Special blend of high active anionic surfactants ensures grease is broken down quickly and efficiently.
- Suitable for use on all surfaces.
- Specially formulated for heavy grease deposits, but can be used to clean all areas at lower dilution rates.
- May also be used as a food plant degreaser to break down animal and vegetable oils and fats.
- High active product guarantees efficient use.
- All surfactants used are biodegradable and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Light green, clear, non viscous liquid
>13
Characteristic
1.030 +/- 0.03
Non-flammable

DIRECTIONS FOR USE:

- Dilution rates are dependant on the severity of soiling on the surface to be cleaned. For light duty cleaning use at a concentration 1:100. For heavy duty cleaning product can be used neat.
- Product may be sprayed, mopped or wiped onto the surface to be cleaned.
- Rinse with clean water and allow to dry to a perfect shine.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store or mix with acids. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is classified as Corrosive. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

4X5L case (48 per pallet)

Order Code: HSC609PLUS-4X5L
