TECHNICAL SPECIFICATION

BRITE NON-BIO LAUNDRY POWDER

Laundrymaster auto is a fully built, low foaming, heavily sequestered, non-biological detergent. Product gives excellent results in both domestic and commercial machines. This formulation contains phosphates, silicates, anti-redepositioning agents, surfactants, optical brightening agents, colour safe active oxygen releasing agents, accelerators, foam control agents and a sweet floral fragrance. Use when an enzyme free system is required.

Features include:

- * Concentrated formula means less product used in comparison to domestic products.
- * Extremely effective and economic.
- * Optical brighteners leave whites with that "whiter than white" appearance.
- * Removes stubborn stains.
- * Emulsifies oils and grease type stains.
- * Lower wash temperatures give excellent results because of accelerators present.
- * Active oxygen works on pigment stains such as red wine, grass and tea stains.
- * Highly fragranced to leave clothes smelling clean and fresh.
- * Blend of surfactants and soil suspending agents prevents greying of fabrics.
- * Enzyme free.
- * All surfactants used are biodegradable.

PROPERTIES:

Appearance @ 20°C
pH (1% solution)
Odour

SPECIFICATION:

White powder
11
Fresh, floral fragrance

DIRECTIONS FOR USE:

- Suitable for washing cotton blends and synthetics.
