## TECHNICAL SPECIFICATION

### ONCE LAUNDRY LIQUID

Bio laundry liquid is a fully built, low foaming, heavily sequestered, biological detergent formulated for use in all machines. Product gives excellent results in both domestic and commercial machines. This formulation contains phosphates, silicates, anti-redepositioning agents, surfactants, optical brightening agents, foam control agents, enzymes and a sweet floral fragrance.

#### Features include:

- Extremely effective and economic in use.
- Optical brighteners leave whites with that "whiter than white" appearance
- Removes stubborn stains.
- Anti-redeposition agents ensure that the soil is removed and held in suspension during the normal wash cycle.
- Emulsifies oils and grease type stains.
- Contains a corrosion inhibitor which protects the drum of the machine from rusting.
- Lower wash temperatures give excellent results.
- Highly fragranced to leave clothes smelling clean and fresh.
- Blend of surfactants and soil suspending agents prevents greying of fabrics.
- Protease enzymes attack protein stains such as blood, gravy, milk and faeces.
- Lipase enzymes attack fatty soils such as butter, oil and grease.
- Surfactants used are biodegradable.

#### PROPERTIES:

Appearance @ 20°C  
pH (neat)  
Specific Gravity @ 20°C  
Odour  
Flammability

#### SPECIFICATION:

Opaque, colourless, viscous liquid  
7  
1.2  
Floral fragrance  
Non-flammable

#### DIRECTIONS FOR USE:

- Suitable for washing cotton blends and synthetics.

MACHINE SIZE	SOFT WATER	MEDIUM WATER	HARDWATER
<b>Size of load</b>			
5-9Kg	120ml	150ml	180ml
10-17Kg	220ml	250ml	300ml
18-25Kg	300ml	350ml	380ml

These are guideline dosage instructions for average soiled fabrics. These levels may be increased or decreased depending on the severity of soiling.

Use Fabric Conditioner in conjunction with this product to leave fabrics soft and supple.

#### STORAGE:

Store in original container and protect from extremes of temperature. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

#### SAFETY ADVICE:

Under the new GHS Standard this product is classified as Irritant. Please refer to section 2.2 of the Safety Data Sheet for more information.

#### PACK SIZE:

20L drum (40 drums per pallet)

Order Code: LMONCE-20L
