TECHNICAL SPECIFICATION

PINE FLOOR GEL 110 (BUFFABLE)

A concentrated pine floor gel cleaner polish, with a fresh clean pine fragrance which is readily burnished to give a slip resistant shine. Economical maintenance product for polished floors. Contains a blend of surfactants, natural soaps, pine oils, emulsifiers, coupling agents, preservative, dyes and fragrance.

Features include:

- Economical dilution rates.
- Will not dull or remove polish at recommended dilution rates.
- Burnished to give slip resistant shine.
- Removes oil, grease, grime and heel marks with ease.
- Suitable for damp mopping and spray cleaning techniques.
- Conditions and cleans floors, tiles, paintwork and most hard surfaces.
- Surfactants used are biodegradable and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Dark green, clear gel
9.0
Strong pine fragrance
1.010 +/- 0.005
Non-flammable

DIRECTIONS FOR USE:

- Floors should be swept before cleaning.
- **DAMP MOPPING:** Create a solution at a concentration 1:100. Mop floor with this mixture and allow to dry. Machine buff using a rotary machine to give a gloss film.
- **SPRAY BURNISH:** Create a solution at a concentration 1:100. Spray this mixture onto the floor (1-2 square meters at a time) and machine buff.
- Only use pads which are recommended for buffing.
- Never use pads which have been used to buff spirit waxes.
- Not suitable for use on unsealed wood and cork flooring.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is not classified. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

4x5L case (48 per pallet)
