A powerful cleaner that removes black mould and mildew stains quickly and effectively from tile grouting, plastic shower curtains etc. in poorly ventilated washroom and shower areas within the leisure and hospitality sectors.

Features include:

- Removes stains effectively and quickly.
- Ready to Use product i.e. no dilution needed.
- Surfactants used are biodegradable and phosphate free.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Straw coloured, clear, non viscous liquid
13-14
Characteristic / chlorinated
Approx. 1.05kg/Litre
Non-flammable

DIRECTIONS FOR USE:

Use directly from trigger spray bottle as product is ready to use so no need to dilute. Approx. 30cm from surface spray product evenly and leave to work for as long as possible before wiping and/or rinsing away. Depending on severity of staining may require more than one application.

STORAGE:

Store in original container in a cool place, away from direct sunlight and protect from extremes of temperature. Do not allow to freeze. Shelf-life in (unopened original container) is up to 18 months.

SAFETY ADVICE:

Causes severe skin burns and eye damage. Wear protective gloves, protective clothing and eye protection/face protection when using this product (refer to Safety Data Sheet for more information).

PACK SIZE:

6x750ml case (96 per pallet)

Order code: HM121-750ml
